The rubbish consists of small lumps of tarmacadam, stones, a plastic base that appears to be a support for a safety barrier and a few pieces of plastic deposited under the hedge bordering the carriageway and sited to the left-hand side of Lon Y Porthmyn / Drovers Lane.

Members brought the following concerns to the attention of the meeting:

- (1) Junction of B5122 and A541 in Afonwen (Bottom of Caerwys Hill). A number of pot holes.
- (2) A541 in Afonwen – travelling towards Denbigh just past the former Pwllgwyn Hotel. Potholes.
- (3) Is it possible to have a mirror on the junction of B5122 at the Memorial Institute corner with Pen Y Cefn Road? This would assist with vehicles turning right, across the oncoming traffic and would improve pedestrian safety.
- (4) The Caerwys name sign and 30mph sign were removed by the County for safe keeping during the initial new housing estate building site commencement. Are you able to advise as to when the signs will be returned?

The Town Council wish to thank Neil Hickie (Street Scene Manager for the area) for arranging the installation of the red dog bin at the Croes Wian Crossroads in Pen Y Cefn. Comment was also referred to the grass cutting in the children's play area, which is excellent.

- (5) Planning refusal on property in Pen Y Cefn. Very disappointing outcome.

9. 94/21

10(A). 95/21

PLANNING APPLICATIONS

To confirm the following planning comment, provided to County Councillor Tudor Jones to include in his report to the Planning Committee. The amended comment was agreed by Members in-between meetings

- (a) Application number: 061974 – for retention of residential dwelling as built and proposed completion of dwelling, at Pen Uchaf Farm, Pen Y Cefn Road, Caerwys.

Comment by Council: At our meeting of 17th March 2021, Caerwys Town Council reaffirmed their previous comment to this application which offered no objections. We are very surprised and disappointed that the current application is recommended for refusal, as a similar application for the

same project was approved previously and work had started on this. This appears unfair. The premises are a ruin in the countryside and were to be made good to provide a home for a young local family. The design is in keeping with the local area and is similar in character to what existed previously. We trust the committee will take these points, and the support of Caerwys Town Council, into account when making their determination.

10(B). 96/21

Members formally confirmed the above decision.

10(C). 97/21

The following planning applications to be considered by Members at the meeting:

- (1) Application number: 062792 – for application for prior notification of proposed demolition, at Plas Isaf Holiday and Lodge Park, Afonwen.

Note: The above application is showing on the weekly list but not currently open for comment in the County Planning Portal, resulting in application form and documents not being available to peruse.

10(D). 98/21
