## **9. 209/24**

### **COUNTY COUNCILLOR'S REPORT (CLLR STEVE COPPLE)**

County Councillor Steve Copple provided Members with the following report:

#### **Main Council**

- ❖ Two concerns were raised in relation to provision of school buses and apparent unfairness of the system, formal responses will be forthcoming: "Given that the current school transport policy places a significant financial burden on families living just outside the approved area, affecting both their mental well-being and financial stability, can we urge the council to reconsider the policy for those who are only a short distance away, and relieve our community of this unnecessary hardship" "The council's decision to base transport eligibility on the "Nearest appropriate school" rather than the "Actual progressive school" for the area is creating significant disparities. Some children receive free transport while others, despite accessing the bus at the same stop as those approved for free transport, do not. There are many inconsistencies in the policy that need addressing, and it is concerning that these were not considered before implementation.
- ❖ A new council leader was voted in (David Hughes)
- ❖ Council tax for empty and second homes was debated and now its 100% for each over the normal amount
- ❖ That a lay member be recruited to the Governance and Audit Committee to replace the departing lay member.
- ❖ That the recruitment panel consisting of the Chair of Council, Chair of the Governance and Audit Committee plus the Cabinet Member for Finance makes a recommendation to Council for appointment

- ❖ Notice of Motion: Flintshire Teachers and School Employees to Take Oath to Work with Children Proposed by: Cllr Gladys Healey (defeated)
- ❖ Notice of motion; To create a Merchant Navy Roll of Honour, on which merchant mariners born or resident in Flintshire, or with an otherwise strong connection to the county who have perished at sea shall be listed
- ❖ Recently there have been discussions with the Labour group who want a coalition style approach to local matters to best serve the community, a meeting of the independent group agreed in principle to discuss. This resulted in a reshuffle of the cabinet with independents and eagle group now having cabinet slots plus bringing elected members with experience to review major issues concerning finance etc. FCC is close to a serious problem. This has resulted in a significant number of independents leaving the group
- ❖ Update provided in relation to Aura Leisure contract with the County
- ❖ Climate Change Committee has been disbanded and those matters will be discussed at each Cabinet Portfolio
- ❖ Update on the current County budget

### Local Issues

- ❖ Assisted with education matter for one resident
